

Hello Sergeant Major  
HALL OF REMEMBRANCE

Hello Sergeant Major,

Each year we come together to render honor to our fellow SGM Comrades who have passed from this world and for whom we will not forget. Due to the current Covid-19 circumstances we are not able to meet, however we can pass this email on to all of our fellow Comrades in a combined effort to celebrate and honor them. Please pass this on to all of your SGM Comrades who may not be a part of this email group and we can all honor them together.

### **" GONE BUT NOT FORGOTTEN" MEMORIAL**

God Bless America  
Memorial Message

We are gathered today to recognize the service and lives of our fellow Sergeants Major who have passed from this world. They have been part of the Brotherhood & Sisterhood of Arms that have served, and continue to serve, in the United States Armed Forces.

- They stood watch on the battlefields of World Wars I & II
- They stood watch in the freezing cold in Korea
- They stood watch in the jungles of Vietnam
- They stood watch on the borders of freedom during the Cold War
- They stood watch on the battlefields of Kuwait, Iraq and Afghanistan
- They stood watch in many countries throughout the world from hills and valley as well
- They have stood watch as sons and daughters, husbands and wives; as parents and grandparents; as community leaders; and as volunteers helping others.

They served and stood watch so that the citizens of this great nation would continue to enjoy the rights, freedoms, and liberties guaranteed to us as a free people, and to continue to pursue our dreams.

They leave behind mothers and fathers, husbands and wives, sons and daughters and grandchildren; friends and colleagues who remember them with love and who recall the many times of joy and happiness they experienced together.

And . . . they leave behind their comrades with whom they served.

(“Gonna Miss You”)

We are here today to say \* you stand relieved. Relieved by those you have trained and guided over the years. We now have the watch.

Taps \* Render proper honors (hand salute or hand over heart)
